Whether you are reading this book and taking the corresponding ASA 106 course or watching a North U webinar – you take your sailing very seriously. Maybe you are studying to be able to venture out to find your own unspoiled cove in which to anchor or to lay back in an exotic port of call. You could be brushing up on an extended multi-day cruise with your family and friends or you might be thinking of making sailing your profession as an ASA Instructor. One thing is for sure, this book will give you a serious boost down the road to becoming a topnotch sailor and confident seaman; a rare and respected person in the world of yachting. You ' ll find all this in the 150-page book from the American Association, the world ' s leading sailing authority, in association with North U, the leader in performance sail education. You gotta read it!
