Hi, my friend's sister is new to the whole watercraft sport. She just bought a 2004 polaris msx 150. We did the normal run through and in doing so, noticed that the oil did not register on the dip stick. (we now know this is right) but at the time, thought we better add oil and we did. Of course, when started (out of the water but with a hose connected), the oil shot out the vent hole and we ...
