With excellent battery life, a light weight and a slim design, the Acer Aspire One Happy is perfect for business users, students and basically anyone who is always on the go. Its small size makes it easy to use while on public transport (as long as you have a seat), and frequent flyers should appreciate the netbook's ability to get through five hours of standard-definition video playback on a single charge.

works as it is meant to; any mishap or connection issue could bring about a complete change of emotion even if the problem was the result of elements outside the direct control of Acer.

## ~~Review : Acer Aspire One Happy~~

The design of the Acer Aspire One Happy 2 is quite trendy and is available in a range of colours. We received the papaya milk variant at our labs with a liquid droplet design on the front panel. This netbook measures 10.1 inches and weighs just 1.25 kg, so it is pretty small and light, making it easy to
