Algorithms in a Nutshell - Ebook written by George T. Heineman, Gary Pollice, Stanley Selkow. Read this book using Google Play Books app on your PC, android, iOS devices. Download for offline...

Algorithms in a Nutshell by George T. Heineman, Gary ...

Algorithms in a Nutshell is exactly that. A book that has just the right amount of theory and math to quickly help you find the solution to an every day problem. Years ago I attended WPI, and took an Analysis of Algorithms class from Stanley Selkow. Stanley taught an excellent course that went beyond the topics in this book.
