The Practice of Statistics is the most trusted program for AP® Statistics because it provides teachers and students with everything they need to be successful in the statistics course and on the AP® Exam. With the expert authorship of high school AP® Statistics veterans, Daren Starnes and Josh Tabor and their supporting team of AP® teacher/leaders, The UPDATED Practice of Statistics, Sixth edition features a revised organization to match the new unit structure in the 2019-2020 Course Framework for AP® Statistic perfectly. While developing this updated edition, the authors ensured that every College Board Learning Objective and Essential Knowledge statement in the 2019-2020 Course Framework is addressed fully. In addition, all of the required skills -- selecting statistical methods, data analysis, using probability and simulation, and statistical argumentation -- are integrated in the student edition and are clearly identified in the Updated Teacher ' s Edition to help teachers reinforce them at point of use. The Updated edition features an extensive set of resources including a robust online homework program, the extensively revised Test Bank, a comprehensive set of videos, and the Teacher ' s Edition and Teacher ' s Resource Materials, giving teachers and students everything they need to realize success on the exam and in the course.

Designed exclusively for use with The Practice of Statistics by Darren Starnes, Josh Tabor, David Moore and Daniel Yates, the Strive for a Five Guide helps students evaluate their understanding of the material covered in the textbook, develop conceptual understanding and communication skills, and ultimately prepare for success, equipping them with all the skills needed to excel on the AP® Statistics Exam. This book is divided into two sections. The first is a study guide to be used throughout the AP Statistics course, and the second includes preparation with additional AP® test strategies, including two full-length AP® style practice exams, each with 40 multiple-choice questions, 5 free response questions and finished with an investigative task. These features better enforce students ' understanding of the subject.
