The Admission Test Series prepares students for entrance examinations into college, graduate and professional school as well as candidates for professional certification and licensure. The Certified and Registered Central Service Technician (CRCST) Passbook(R) prepares you by sharpening the skills and abilities necessary to succeed on your upcoming entrance exam. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: cleaning, decontamination and disinfection; preparation and packaging; sterilization; medical equipment; documents and records; and more.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

The Training Manual is the premier reference and review publication for individuals preparing for examinations given by The Certification Board for Sterile Processing and Distribution. It is a concise, applicable tool that can be used for orientation, training, and instructional programs in health care facilities and in institutions for learning. The Fifth Edition of the manual is the largest and most comprehensive to date.
