Chosen By The Vampire Kings

Two vampire kings whose covens have, until fairly recently, been at war. Now each king must choose a human female in order to produce an heir for each coven (vampire females don't breed well). Each chooses a different lady, but neither wants to be mated to a vampire.

is first explained that ONE WOMAN each would be chosen by the kings to become their queens and mate them in order to have heirs. Ok, that's easy to understand. These women are the kings' only hope in the continuation of their race, once the woman is chosen, there will be no other. Again easy to understand.
