art are the ten sonatas he composed between 1892 and 1913, works that abundantly display both his technical virtuosity and the exhilarating emotional gamut he ranged with such individuality. All ten of Scriabin's sonatas are reprinted

here from the authoritative Russian edition published in 1964. The first four reveal the influences of the pianism of Chopin and Liszt. The subsequent sonatas richly display Scriabin's emerging impressionist techniques and his deep attraction to mysticism,
