A prominent figure amongst New York City's fashion elite, Elena Vega is a successful businesswoman and single mother to an adorable three-year-old son, Lucas. Her love life, however, is lacking, as those closest to her keep pointing out. At the persistent urging of her closest friend, Elena reluctantly agrees to a string of blind dates if she can find a suitable babysitter for Lucas. Enter Allison Sawyer, a free-spirited senior at New York University. Elena is intrigued by Allison's ability to push her out of her element, and the young woman's instant and easy connection with a normally shy Lucas quickly earns Allison the job. After each blind date, Elena returns home to complain to Allison about her lacking suitors. As they bond, Elena begins to realize that the person possessing all the qualities she most desires might just be the woman who has been in front of her the entire time. The vast difference between the two women's social statuses, however, may be an obstacle not easily overcome.
