Fight Night Champion iPhone Review - IGN
On the paper inside it says this: Thanks for helping us reducing the amount of paper in our products. And the worst thing of all is that the game still costs the same or even more then most games with manual. 65 Euro in my country for Fight Night Champion and most games cost 60 Euro. They could at least reduce the price of the game for not including the manual.

Fight Night Champion - Eurogamer.net
Fight Night Champion allows the player to fight as boxing legends past and present, including Mike Tyson and Muhammad Ali. Intuitive controls help the player launch various types of punches in order to throw the opponent to the ground using swipes and flicks. Legacy Mode allows the player to build a fighter or use one of the preselected characters and start...
