The Cape Wild Flowers are one of the natural wonders of the world. The arid areas of the Cape West Coast and the semi desert of Namaqualand, transform into a floral wonderland that attracts photographers, artists, botanists and sightseers from around the globe. The wild flowers begin flowering first in the north in Namaqualand in late July/early August and then roll out southwards, through Nieuwoudtville and the Cederberg towards the West Coast, at the beginning of September.

~~Self Drive the Cape Flower Route, West Coast and Namaqualand~~

Namaqualand, exploring the West Coast Flower Route. Written by Alya on August 28, 2020. Visiting Namaqualand during the flower season is an amazing experience. After the rainy winter months, the usually arid area along the West Coast turns into one big flower carpet with orange, yellow, red, and purple colors dominating the scenery.
