She resides in Orlando, Florida with her husband, Dr. Juan Chisholm, and three daughters. Visit www.StartYourTaxExemptNonprofit.com for more information.

Robert's Rules of Order Newly Revised, commonly referred to as Robert's Rules of Order, RONR, or simply Robert's Rules, is the most widely used manual of parliamentary procedure in the United States. It governs the meetings of a diverse range of organizations-including church groups, county commissions, homeowners associations, nonprofit associations, professional societies, school boards, and trade unions-that have adopted it as their parliamentary authority. The manual was first published in 1876 by .US Army officer Henry Martyn Robert, who adapted the rules and practice of Congress to the needs of non-legislative societies. Ten subsequent editions have been published, including major revisions in 1915 and 1970. The copyright to Robert's Rules of Order Newly Revised is owned by the Robert's Rules Association, which selects by contract an authorship team to continue the task of revising and updating the book. The 11th and current edition was published in 2011. In 2005, the Robert's Rules Association published an official concise guide, titled Robert's Rules of Order Newly Revised In Brief. A second edition of the brief book was published in 2011.

A complete procedures manual—all in one volume—specifically designed for nonprofit managers Never before has one sourcebook treated the full scope of management policies and procedures as they apply to the special needs of nonprofit organizations. Featuring the contributions of over 40 nationally recognized experts in the field, The Nonprofit Management Handbook: Operating Policies and Procedures is your single-text reference for ideas on how to standardize your daily operations, improve efficiency, and control the development of your nonprofit organization. Clearly and concisely, this indispensable book addresses such vital questions as: In what direction should you take your nonprofit? What are the most effective ways to implement change? How can you fulfill your public service mission in the face of dwindling resources and a more competitive environment? How can you evaluate and maximize your fund-raising activities and marketing strategies? What are the best ways to organize a process of review, assessment, renewal, and change? The Nonprofit Management Handbook: Operating Policies and Procedures is more than a source of great ideas; it also gives you a wealth of forms, checklists, organizational charts, sample letters, and flow charts that you can adapt for use in your organization.

A Drucker management classic, first published in 1990, which breaks down any narrow definition of management and is aimed specifically at decision-makers and managers working in non-profit making and charitable organizations to help them apply the principles of good management to their sector. Drawing from the American experience, Drucker poignantly illustrates his discussion of management by quoting his in-depth interviews with top executives from non-profit making organizations. The issues of mission, performance, people and relationships, leadership and developing managers are eloquently discussed and Drucker provides Action Implications throughout the book which are of practical importance to the reader.

"Provides background information and step-by-step instructions that nonprofits need to apply for federal 501(c)(3) tax-exempt status and qualify as a public charity with the IRS. The 10th edition covers recent changes in the law"--Provided by publisher.

"A step-by-step guide to forming a 501(c)(3) nonprofit in any state"--Cover.

Designed to help nonprofit board members and senior staff, "The six books address all of the fundamental elements of service common to most boards, including board member responsibilities, how to structure the board in the most efficient manner, and how to accomplish governance work in the spirit of the mission of the organization."--Pg. 2 of Book 1.
