Complete coverage for your Subaru Legacy (10-16) & Forester (09-16):

This book is related to Carburetters, associated problems and major tuning characteristics covering as wide range as possible but within the more modern circuit systems available. A vast range of Solex carburetters are manufactured in Britain, France, Italy and Germany. This extensive model range meets the needs of the smallest single cylinder engine, to the average family car, through to high performance sports/racing engines.

The automotive industry appears close to substantial change engendered by " self-driving " technologies. This technology offers the possibility of significant benefits to social welfare—saving lives; reducing crashes, congestion, fuel consumption, and pollution; increasing mobility for the disabled; and ultimately improving land use. This report is intended as a guide for state and federal policymakers on the many issues that this technology raises.
