Like many sensible learners, you've realised that Grade 11 is the make or break year, not Grade 12. The sooner you choose your tools for the challenge and get down to work, the better. The classroom and your notes are often insufficient preparation for tests and exams. It's all about systematic practise and applying your knowledge.

This Yet finds a way, even when you don't, And, Yet knows you will, when you think you won't. Each of us, from the day we're born, is accompanied by a special companion--the Yet. Can't tie your shoes? Yet! Can't ride a bike? Yet! Can't play the bassoon? Don't worry, Yet is there to help you out. Told in tight rhyme reminiscent of the great Dr. Seuss himself, this rollicking, inspirational picturebook is perfect for every kid who is frustrated by what they can't do . . . YET!

After falling off the wall, Humpty Dumpty is very afraid of climbing up again, but is determined not to let fear stop him from being close to the birds.

Features an audio read-along! With a simple, witty story and free-spirited illustrations, Peter H. Reynolds entices even the stubbornly uncreative among us to make a mark -- and follow where it takes us. Her teacher smiled. "Just make a mark and see where it takes you." Art class is over, but Vashti is sitting glued to her chair in front of a blank piece of paper. The words of her teacher are a gentle invitation to express herself. But Vashti can't draw - she's no artist. To prove her point, Vashti jabs at a blank sheet of paper to make an unremarkable and angry mark. "There!" she says. That one little dot marks the beginning of Vashti's journey of surprise and self-discovery. That special moment is the core of Peter H. Reynolds's delicate fable about the creative spirit in all of us.

"As an artist creatively incorporates her slipups into a drawing, readers see the ways in which 'mistakes' can provide inspiration and opportunity, and reveal that both the art and artist are works-in-progress"--

Yani was a YETi. His proud YETi family members and friends never stopped encouraging him. When Yani wanted to learn to tie his shoes, he thought he couldn't do it. But after a friendly reminder, Yani realized that he could not do it YET! He quickly figured out that with a little combination of hard work and help, he could do anything he put his mind to! Yani the YETi shows young children that learning tasks like tying your shoes is not always easy, but with the right

mindset and perseverance, the "power of yet" is a character trait that helps children overcome hurdles.

1.Success Master Study Guides focus in the preparation of CTET teaching Exam 2.This book deals with CTET Mathematics and Science Paper - 2 (Classes 6-8) 3.Divided into 5 main Sections completely prepared on the latest exam pattern. 4.Provides Previous years' Solved Papers, 2 Practice Sets and more than 3000 MCQs are given for thorough practice.
