A range of resources for CAPE has been specially developed to meet the requirements of the CAPE syllabus. This textbook has been developed by experienced CAPE examiners to meet the requirements of the CAPE Accounting syllabus. Both theory and practice are covered, helping students develop the relevant computational, problem-solving and accounting skills. A main focus of the course is preparing students for the CAPE examinations by providing examination hints, multiple-choice questions at the end of each chapter, additional exercises from past papers, and clear worked examples. Answers to the chapter exercises and multiple-choice questions are available download in the 'Samples and Resources' section of the website.

This revised set of resources for Cambridge International AS and A Level Accounting syllabus (9706) is thoroughly updated for the latest version of the curriculum. Written by experienced authors, this coursebook unpacks accounting concepts in an engaging and accessible style. With clear definitions of up-to-date terminology, this resource is ideal for learners with a wide range of abilities, including those whose first language is not English. Practical walkthroughs illustrate the application of key accounting policies and practices, and activities reinforce knowledge and build analytical and evaluation skills. At the end of each chapter there are opportunities to practice multiple-choice and structured questions to help prepare students for their assessment.

Suitable for one-year AS Level courses and for two-year A Level courses, Accounting: AS Level and A Level helps develop the required computational, accounting, problem-solving and written skills. Theoretical and practical aspects of all topics are covered, with teaching points being illustrated by fully worked examples and exercises to test students understanding. The Teacher's Supplement contains the answers to the end-of-chapter additional exercises included in the Coursebook. Click on 'Samples and Resources' to view the answers for each chapter, which can be downloaded and printed off separately.

Cambridge International AS and A Level Accounting has been endorsed by University of Cambridge International Examinations.

This revised edition gives coverage of financial accounting, cost and management accounting, and social accounting topics found in the syllabuses of advanced level examinations. The text has been extensively updated in line with current developments, and also includes examples of fully worked questions from past exam papers of the A level examining boards.
