The seven-year-old kids at little Nebden village school in Essex have unexpectedly landed the best SATS results in the whole of Britain. The mothers at the nearest fee-paying school are well miffed: could it really be due to a dodgy door-to-door salesman's educational software? Or has it to do with strange happenings up at Windyhill farm where Hetty has started up a secret human milk factory? A ruthless neurologist from the Cambridge Science Park starts investigating, but so many liquid surprises are in store for him in the land of the Tit-Freaks that he starts believing he is the target of The Bodily Fluid Terrorists. He's not the only one confused. Take Xavier, the two-bit software developer. Every day he sits, mystified, in the village pub. Why do voluminosly-endowed females always go up the hill? Why

do only the flat-chested come down? We follow a year in the life of the zany inhabitants of Nebden village as several sleuths try to work out what is going on. Human milk smoothie bars open in Cambridge and New York as the world is increasingly rocked by Hetty's leaked discoveries: that the breast has been a secret homeopathic remedy-maker all along, and that milks extracted from diseased women and added to milks customised with special anti-viral or anti-free-radical diet ingredients, have the power to cure Aids, Cancer and bird flu. Taboos are blown sky-high, as the human breast is explored with more thoroughness and humour than any other attempt in fiction. Topical core themes include bodily fluids, alternative medicines, and attachment parenting. This book will affect attitudes to breastfeeding, and may provide

Bookmark File PDF Homeopathic Remedy Maker

positive encouragement for those mothers who may for any reason be afraid or reluctant to breastfeed their babies. The book also contains a serious message to bottle milk manufacturers who persist in advertising in developing-world countries, thereby depriving babies of the perfect food, often leading to their premature deaths. The style borders on literary, but is fun, contemporary, accessible, irreverent.

Homeopathy is over 200 years old and is still experiencing an uninterrupted influx of new practitioners and patients. Many patients and therapists swear by this "alternative healing method", which in some countries is even financed by health insurances. This seems completely incomprehensible to critics: For them it is clearly evident that homeopathy is hopelessly unscientific and has at best a placebo effect. The positions of supporters and opponents seem to be just as immutable as they are incompatible. This book answers some essential and fascinating questions: What remains of the founding ideas of homeopathy in 21st century medicine? Does it really work and, if so, how? Which of the original theories can we still apply today with a clear conscience and use for the benefit of patients and the

Bookmark File PDF Homeopathic Remedy Maker

healthcare system? Where does homeopathy have its limits and does it indeed need to be critically reconsidered and evaluated? The author has dealt with the points of criticism for years, but at the same time also takes seriously the wishes and concerns of patients who often feel insufficiently cared for by conventional medical practice. Against the background of her own personal history, her book attempts to bridge the gap between these two traditionally opposing camps.

Outlines the system of treatment that attempts to cure by strengthening the body's resistance with the administration of minute doses of substances that ordinarily would cause the illness

Bookmark File PDF Homeopathic Remedy Maker

Provides information about homeopathic medicine, including what it is, how it works, what it can be used for, how to incorporate it into conventional treatment programs, and how to find a homeopath.

With the number of natural and human-caused disasters increasing dramatically these days, as are dire predictions for the future, you might consider learning how to treat illness yourself when medicines and hospitals are no longer available and you or a family member becomes acutely ill, or, for example, has contracted an infection—a deadly problem

Bookmark File PDF Homeopathic Remedy Maker

without antibiotics. With homeopathy, you can make your own medicines and treat yourself, your family and pets. This book will show you how. You and your family can become independent of medical assistance for most acute illnesses by learning the basic, simple methods presented in this book of how to use homeopathic remedies. Treat acute illnesses yourself at hardly any cost, without needing expensive, toxic and side-effect producing chemical drugs, while improving the general health level and life quality of yourself and those close to you. Here are some specific benefits you can enjoy: Nip the flu in the bud with just one pill as soon as you notice flu symptoms. You are on your way home on a warm day after a long day ' s work in an air-conditioned office and notice a sore throat coming on, and that you feel a bit out of

sorts. Realizing that a cold is building up, you reach into your homeopathic remedy kit and take an Aconitum 200 C pill. By the time you arrive home, the budding cold is gone. Recover quickly from injuries, operations, childbirth and dental work. After a tooth extraction at the dentist ' s, your wife comes home complaining of pain. Naturally she has refused an antibiotic from the dentist, knowing that you will deal with the problem using homeopathic means. She has already taken Arnica 200C from her remedy kit after leaving the dentist ' s office. You give her another suitable homeopathic remedy, such as Staphysagria, and the next day there is hardly any pain at all—no antibiotics needed. Cure fear of flying before you travel. You are at the airport going on a business trip, when you meet a friend. She tells you she is

afraid of flying and quite anxious regarding her pending flight. You offer to help her with a homeopathic pill, which you tell her contains no chemicals—only information that will stimulate the body to cure itself. She is willing to give it a try. Some weeks later you see her again on the street and she thanks you profusely, as her fear of flying had vanished like magic before boarding the plane. Greatly speed up your child ' s recovery from childhood illnesses such as the measles. Your young son tells you that his friend and others at the school have come down with the measles. You implement the homeopathic immunization programmed of giving Pulsatilla 200C once a week while the epidemic lasts, and your son avoids the measles and acquires immunity to the disease. Help your dog or cat, or other pet, recover

rapidly from injuries, bites and other traumas. You bring a young cat into the family as a companion for an older cat named Toby you have. However, Toby does not receive the newcomer very well. He hisses and strikes out at your new cat called Sweetie. Not a very pleasant situation, but you know how to deal with it. You add the homeopathic remedy Hyoscyamus 1M to Toby ' s drinking bowl one day and two days later on arriving home, to your surprise, you see the two cats cuddled up together on the bed, the best of friends. In extreme survival situations you will be able to treat yourself and your loved ones by making your own homeopathic remedies. Suppose you and your family find yourselves isolated, civilization around you has collapsed, perhaps you are out in the wild to escape deteriorated and

hostile city conditions. Your son has cut himself on a rusty metal part while looking for food and he is running a fever. You have learned how to make the correct homeopathic antibiotic remedy for this using a proven method taught in this book. Rather than passing on to another plane, your son recovers completely in some days. Your wife is extremely grateful. Bird flu, or any other lethal flu, strikes and there are thousands of sick and dying people in your town, while waiting for the medical authorities to produce a sufficient quantity of a possibly effective vaccine in six months ' time. With the information contained in this book you prepare a homeopathic remedy in your kitchen to treat your sick daughter and neighbors, some of which are in very bad shape. They all recover after a very difficult bout with the

bird or whatever flu, but they are alive. There you are. Considering the times we are living in, purchasing this book will be a prudent investment that can save your life as well as the lives of your family members, friends and pets. It will certainly improve their health and life quality. This is cutting-edge technology, way ahead of the current level at which medicine is practiced. This book contains information never presented in this concise and practical manner, including advances in the creation and transmission of homeopathic remedies not mentioned in standard literature on homeopathy. A new and simpler approach to treating illness awaits your discovery. Homeopathy has been around for more than 200 years and has a proven track record as practiced by medical doctors and laymen alike, with an
