Dare to enter the House of Night, the phenomenal #1 New York Times bestselling young adult series from P.C. Cast and Kristin Cast, with this all new e-original collection of the first four books, including Marked, Betrayed, Chosen and Untamed Marked Zoey enters the House of Night, a school where, after having undergone the Change, she will train to become an adult vampiro—that is, if she makes it through the Change. Not all of those who are chosen do. It's tough to begin a new life, away from her parents and friends, and on top of that, Zoey finds she is no average fledgling. Betrayed Fledgling vampyre Zoey Redbird has managed to settle in at the House of Night. She's come to terms with the vast powers the vampyre goddess, Nyx, has given her, and is getting a handle on being the new Leader of the Dark Daughters. Best of all, Zoey finally feels like she belongs—like she really fits in. She actually has a boyfriend...or two. Then the unthinkable happens: Human teenagers are being killed, and all the evidence points to the House of Night. Chosen Dark forces are at work at the House of Night and fledgling vampyre Zoey Redbird's adventures at the school take a mysterious turn. Those who appear to be friends are turning out to be enemies. And oddly enough, sworn enemies are also turning into friends. So begins the gripping third installment of this "highly addictive series" (Romantic Times), in which Zoey's mettle will be tested like never before. Untamed Life sucks when your friends are pissed at you. Just ask Zoey Redbird | she's become an expert on suckiness. In one week she has gone from having three boyfriends to having none, and from having a close group of friends who trusted and supported her, to being an outcast. Speaking of friends, the only two Zoey has left are undead and unMarked. And Neferet has declared war on humans, which Zoey knows in her heart is wrong. But will anyone listen to her?

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is missing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny/with a little help from her new vampyre friends.

Life sucks when your friends are pissed at you. Just ask Zoey Redbird | she's become an expert on suckiness. In one week she has gone from having three boyfriends to having none, and from having a close group of friends who trusted and supported her, to being an outcast. Speaking of friends, the only two Zoey has left are undead and unMarked. And Neferet has declared war on humans, which Zoey knows in her heart is wrong. But will anyone listen to her? Zoey's adventures at vampire finishing school take a wild and dangerous turn as loyalties are tested, shocking true intentions come to light, and an ancient evil is awakened in PC and Kristin Cast's spellbinding fourth House of Night novel. (Recommended for readers age 13 and older)

Dare to enter the HOUSE OF NIGHT, the phenomenal #1 New York Times bestselling series, with this complete e-collection of all twelve books! When 16-year-old Zoey Redbird is Marked by a vampire tracker and begins to undergo the Change into an actual vampyre, she has to leave behind her family in Tulsa and move into the House of Night, a boarding school for other fledglings like her. It's tough to begin a new life, away from her parents and friends, and on top of that, Zoey finds she is no average fledgling. She has been singled out by the vampyre Goddess, Nyx. Although Zoey has awesome new powers, it's not so easy to fit in when everyone knows you're "special" | and some people wish you weren't.... As Zoey tries to make new friends and maybe find a hot boyfriend (or three), she comes up against all kinds of evil, from the perfect-looking, super-popular girl with not-so-innocent plans, to the mysterious deaths happening at the House of Night and all over Tulsa, and the beautiful high priestess, Neferet, who seems to have Zoey's best interests at heart...or does she? Things at the House of Night are rarely what they seem. Can Zoey find the courage deep within herself to find the truth and embrace her destiny? Read the entire epic series from #1 New York Times and USA Today bestselling authors P. C. CAST and KRISTIN CAST: Marked, Betrayed, Chosen, Untamed, Hunted, Tempted, Burned, Awakened, Destined, Hidden, Revealed, Redeemed

"My love, speak to me. Tell me everything." Neferet went to Kalona, kneeling before him, stroking the soft, dark wings that unfurled loosely around the immortal. "What would you have me say?" He didn't meet her eyes. "Zoey lives." Neferet's voice was flat, cold, lifeless. "She does." "Then you owe me the subservience of your immortal soul." She started to walk away from him. "Where are you going? What will happen next?" "It is quite simple. I will ensure Zoey is drawn back to Oklahoma. There, on my own terms, I will complete the task you failed." Exonerated by the Vampyre High Council and returned to her position of High Priestess at Tulsa's House of Night, Neferet has sworn vengeance on Zoey. Dominion over Kalona is only one of the weapons she plans to use against Z. But Zoey has found sanctuary on the Isle of Skye and is being groomed by Queen Sgiach to take over for her there. Being Queen would be cool, wouldn't it? Why should she return to Tulsa? After losing her human consort, Heath, she will never be the same | and her relationship with her super-hot-warrior, Stark, may never be the same either... And what about Stevie Rae and Rephaim? The Raven Mocker refuses to be used against Stevie Rae, but what choice does he have when no one in the entire world, including Zoey, would be okay with their relationship? Does he betray his father or his heart? In the pulse-pounding 8th book in the bestselling House of Night series, how far will the bonds of friendship stretch and how strong are the ties that bind one girl's heart?

It's Zoey's eighteenth birhtmas and the Nerd Herd has been scattered across the country busly aduting for almost a year when Stark calls them back to Tulsa to surprise Z. But all is not well in T-Town. Strange, dark signs are appearing/could it be possible Neferet is stirring? Not willing to chance disaster striking again, Zoey calls on her newly reunited friends to circle with her and add a layer of protection over Neferet's grotto jail. Easy-peasy, right? Wrong. Nothing at the House of Night is ever as it seems. With rabid red vampyres closing in, Zoey and the Nerd Herd must come together gain and battle evil. But a year is a long time. Have these old friends grown too far apart? When the world fractures and allies become enemies, will darkness devour friendships or will light save those she's loved?

With more than 12 million books in print, rights sold in almost forty countries, and more than two years on The New York Times bestseller list (reaching as high as #1), P.C. Cast and Kristin Cast's House of Night series is an international publishing sensation. Now, for a great value, new and old fans alike can go back to where it all began, with Marked and Betrayed, together for the first time in one beautiful paperback edition. When sixteen-year-old Zoey Redbird is [Marked] by a vampire tracker and begins to undergo the [Change] into an actual vampyre, she has to leave her family and move into the House of Night, a boarding school in Tulsa, Oklahoma, for other fledgling vampyres like her. It's tough to begin a new life away from her parents and friends, and on top of that, Zoey finds she is no average fledgling. She has been singled out by the vampyre Goddess, Nyx. Although Zoey has awesome new powers, it's hard to fit in when everyone knows she's special. As she tries to make new friends and maybe find a hot boyfriend (or two), she comes up against all kinds of evil, from the perfect-looking, super-popular girl with not-so-faillless plans, to the mysterious deaths happening at the House of Night and all over Tulsa. Things at the House of Night are not always what they seem. Can Zoey find the courage deep within herself to discover the truth and embrace her destiny?

When friends stop trusting each other, Darkness is there to fan the flames.... Things have turned black at the House of Night. Zoey Redbird's soul has shattered. With everything she's ever stood for falling apart, and a broken heart making her want to stay in the Otherworld forever, Zoey's fading fast. It's seeming more and more doubtful that she will be able pull herself back together in time to rejoin her friends and set the world to rights. As the only living person who can reach her, Stark must find a way to get to her. But how? He will have to die to do so, the Vampyre High Council stipulates. And then Zoey will give up for sure. There are only 7 days left... Enter BFF Stevie Rae. She wants to help Z, but she has massive problems of her own. The rogue Red Fledglings are acting up, and this time not even Stevie Rae can protect them from the consequences. Her kinda boyfriend, Dallas, is sweet but too nosy for his own good. The truth is, Stevie Rae's hiding a secret that might be the key to getting Zoey home but also threatens to explode her whole world. In the middle of the whole mess is Aphrodite: ex-Fledgling, trust-fund baby, total hag from Hell (and proud of it). She's always been blessed (if you could call it that) with visions that can reveal the future, but now it seems Nyx has decided to speak through her with the goddess's own voice, whether she wants it or not. Aphrodite's loyalty can swing a lot of different ways, but right now Zoey's fate hangs in the balance. Three girls... playing with fire... if they don't watch out, everyone will get Burned.

A penultimate installment in the best-selling series finds a vengeful and drastically altered Neferet threatening the human population of Tulsa as well as Zoey and her friends, who are blamed for the ensuing chaos and challenged to prevent a supernatural war.
