Speaking is a central yet complex area of language acquisition. The assessment of this crucial skill is equally complex because of its interactive nature. This book takes teachers and language testers through the research on the assessment of speaking as well as through current tests of speaking. The book then guides language testers through the stages of test tasks, rating practices and design.

The IB English Ab Initio Student Portfolio is an interactive practice and revision resource that helps the students prepare for the four assessment components of this language acquisition course. With the help of 321 questions and 321 answer tables that cover the complete Ab Initio course, the students will be able to fully develop their personalized answers and thus establish an organic Portfolio of their learning. The answer tables in the Portfolio apply to reading, writing, listening and speaking, and the Portfolio is also supported by online resources on the author's personal website. The IB English Ab Initio Student Portfolio is best used together with the Language Ab Initio Student Workbook but can also be used independently, both in the classroom and at home.

This publication highlights the need for test developers to provide clear explanations of the ability constructs which underpin tests offered in the public domain. An explanation is increasingly required or if the validity of test score interpretation and use are to be supported both logically and with empirical evidence. The book demonstrates the application of a comprehensive test validation framework which adopts a socio-cognitive perspective. The framework embraces six core components which reflect the practical nature and quality of an actual testing event. It examines Cambridge ESOL writing tasks from the following perspectives: Test Taker, Cognitive Validity, Context Validity, Scoring Validity, Criterion-related Validity and Consequential Validity. The authors show how an understanding and analysis of the
