Resource added for the Supply Chain Management program 101821.

This book contains the main international commercial contracts that small and medium-sized enterprises (SMEs) will need in their trade transactions. All contracts are harmonized in structure as well as in content through the insertion in each of identical boilerplate or recurring clauses. Each Model Contract indicates the basic elements that a non-specialist should fill in or should consider when entering into an agreement. The nine model forms and the boilerplate clauses were selected on the basis of a worldwide survey of representative institutions of SMEs. The Model Contracts will be supplemented in due course with training material developed ITC.

A guide to maximizing the impact of work done at public research institutions and universities to boost innovation and growth.

This comprehensive code comprises all building, plumbing, mechanical, fuel gas and electrical requirements for one- and two-family dwellings and townhouses up to three stories. The IRC contains many important changes such as: An updated seismic map reflects the most conservative Seismic Design Category (SDC) based on any soil type and a new map reflects less conservative SDCs when Site Class A, B or D is applicable. The townhouse

separation provisions now include options for using two separate fire-resistant-rated walls or a common wall. An emergency escape and rescue opening is no longer required in basement sleeping rooms where the dwelling has an automatic fire sprinkler system and the basement has a second means of egress or an emergency escape opening. The exemption for interconnection of smoke alarms in existing areas has been deleted. New girder/header tables have been revised to incorporate the use of #2 Southern Pine in lieu of #1 Southern Pine. New tables address alternative wood stud heights and the required number of full height studs in high wind areas.

"Drafting International Contracts" is an essential resource for anyone working in international business. It features the latest trends, fostering an understanding of how international contracts are drafted in practice.
