Jetta Manual Transmission Fluid Change

The Jetta's manual transmission has two plugs for filling and emptying the transmission fluid, located on the side and bottom of the transmission case. If you are simply checking the level of oil in your transmission, start by removing the top filler plug on the side of the transmission. This is the plug that you add fluid to.

Volkswagen Jetta Mk4 Manual Transmission Fluid Change ...

To drain the gear oil on manual transmission VW Jetta. Engage the parking brake, jack up the car, rest car securely on jack stands at the factory jack points, chock the front and/or rear wheels as needed, and make sure the car is safe and secure before getting under the car. Unlike most cars, the transmission does not have to be completely level because the fill plug is too low.

Manual transmission gear oil change Jetta

The average cost for a Volkswagen Jetta transmission fluid change is between \$164 and \$185. Labor costs are estimated between \$80 and \$101 while parts are priced at \$84 .

Estimate does not include taxes and fees. Note about price: The cost of this service or repair can vary by location, your vehicle's make and model, and even your engine type.

Volkswagen Jetta Transmission Fluid Change Cost Estimate

Remove the 14mm hex bit VW DSG transmission drain plug along with the crush washer. Allow the VW Jetta, Passat, CC, Golf, Beetle, or Eos DSG transmission fluid to drain from the transmission. During this step, not all the transmission fluid will come out. Roughly 1.5 liters – 2 liters of DSG fluid will drain.

How To Change VW DSG Transmission Fluid (2005-2019 6-Speed)

Important Information: According to the factory manual the DSG VW Jetta transmission fluid and filter should be changed every 40,000 miles. If driving in heavy city, hot weather, pulling, or other harsh driving conditions you may want to service every 30,000 miles.

Manual Transmission Fluid Change Cost The average cost for a Volkswagen Jetta TDI manual transmission fluid change is between \$84 and \$139. Labor costs are estimated between \$52 and \$67 while parts are priced between \$32 and \$72. Estimate does not include taxes and fees.

Volkswagen Jetta TDI Manual Transmission Fluid Change Cost ...

Fortunately, changing manual transmission fluid in the A4 is actually easier than changing the oil, at least in a manual transmission car, because you don't have to change the filter as well. You simply drain the old lubricant and find a way to fill the transmission with new fluid. It's easier to do this job if you first raise the car to a level position (the fill hole, when the car is level, serves as the indicator that the transmission has the proper amount of oil in it), and then remove ...

Audi A4 1.8T Volkswagen Manual Transmission Fluid Change ...

Anyone ever flush their 5 spd manual transmission on the MK6 1.4 tsi Jetta? I have not looked under the car yet but is it just simply opening the drain bolt, draining the fluid, measuring what came out and refilling what was measured thru the filling port till it leaks out the side? Are there any special tools I would need to open the drain plug and fill port?
