...Reflection Paper: Week 1 Adam Gibbs

No man-made law, no matter whether from the past or projected onto a distant, unforeseeable future, can or should ever be empowered to claim that it is greater than the natural law from which it stems. Since natural law has generally referred to that which determines what is right and wrong and whose power is made valid by nature, it follows that its precepts should be eternal, universal, and unchangeable.

Reflection Paper - Natural Laws - Term Paper

Following ancient Greek philosophy, natural law theory may include the claim that human nature has a teleological
