Squanto, Friend of the Pilgrims. Squanto, Friend of the Pilgrims is a children's book by Clyde Robert Bulla, which follows the life and adventures of Patuxet leader, Squanto, before and during his ...

For use in schools and libraries only. An Indian goes to London with some of the first English explorers, is sold into slavery in Spain, and finally returns to America where he befriends the Pilgrims when they land.

Squanto recounts how in 1614 he was captured by the British, sold into slavery in Spain, and ultimately returned to the New World to become a guide and friend for the colonists.

Experience the true story from American history about the spiritual roots and historical beginnings of Thanksgiving. This entertaining and historical story shows that the actual hero of Thanksgiving was neither white nor Indian but God. In 1608, English traders came to Massachusetts and captured a twelve-year-old Indian, Squanto, and sold him into slavery. He was raised by Christians and taught faith in God. Ten years later he was sent home to America. Upon arrival, he learned an epidemic had wiped out his entire village. But God had plans for Squanto. God delivered a Thanksgiving miracle: an English-speaking Indian living in the exact place where the Pilgrims landed in a strange new world.

Discusses the events in Squanto's life up until he became a friend, teacher and helper to the Pilgrims when they celebrated the first harvest festival in America.

This helpful resource provides all-new tested, standard-based lessons accompanied by reproducible handouts and easy-to-follow directions. • Furnishes tested, ready-made lessons and reproducible handouts for every grade level K-5 • Provides a time-saving tool for school librarians and educators in teaching integrated information literacy skills • Features lessons that are coordinated with the Common Core State Standards, the McREL Compendium of Standards and Benchmarks, and the AASL Information Literacy Standards

Covers the history to 1647.

Highlights the life of Squanto, a Wampanoag Indian who helped the Pilgrims find and grow food in Massachusetts.

James Loewen has revised Teaching What Really Happened, the bestselling, go-to resource for social studies and history teachers wishing to break away from standard textbook retelling of the past. In addition to updating the scholarship and anecdotes throughout, the second edition features a timely new chapter entitled "Truth" that addresses how traditional and social media can distort current events and historical record. Helping students understand what really happened in the past will empower them to use history as a tool to argue for better policies in the present. Our society needs engaged citizens now more than ever, and this book offers teachers concrete ideas for getting students excited about history while also teaching them to read critically. It will specifically help teachers and students tackle important content areas, including Eurocentrism, the American Indian experience, and slavery. Book Features: an up-to-date assessment of the potential and pitfalls of U.S. and world history education; information to help teachers expect, and get good performance from students of all racial, ethnic, and socioeconomic backgrounds; strateiges for incorporating project-oriented self-learning, having students conduct online historical reserch, and teaching historiography; ideas from teachers across the country.
