Let Their People Come - Center for Global Development

In Let Their People Come, Lant Pritchett discusses five "irresistible forces" of global labor migration, and the "immovable ideas" that form a political backlash against it. Increasing wage gaps, different demographic futures, "everything but labor" globalization, and the continued employment growth in low skilled, labor intensive industries all contribute to the forces compelling labor to migrate across national borders.

Let Their People Come: Breaking the Gridlock on Global

...

Let Their People Come: Breaking the Gridlock on Global Labor Mobility. "Whether anyone likes it or not, migration will be a key issue of the 21st century. Pritchett's book highlights the difficult political and ethical issues that the movement of people across national borders presents to the current system. His discussion of ways to break the deadlock is a provocative contribution in an area where provocation is needed."
