This Introduction to Irish law booklet is a handy little number, it is compiled so that the most difficult and challenging terminology, rules and principles are explained, leaving you to enjoy learning about the law in Ireland without the headache of first learning terminology and confounding principles. Torts are wrongdoings; done by one person against another. When one person wrongs another, the injured person may take civil action against the other person. In plain English, let's say while walking down

the fruit and veg aisle of your local supermarket, you slip on a grape that had fallen from the shelf and injure yourself. You become the plaintiff, or injured party, and the supermarket is considered the tortfeasor or defendant, they are defined as the negligent party. When this happens you can take civil action against the supermarket to claim compensation for pain, suffering, medical bills and expenses incurred as a result of the fall. Negligence is just one tort category. This booklet will go through all of the different types. This basic introductory booklet is just that, a layman's
