This book encapsulates every AMG series production model ever made. Published for AMG's 45th anniversary.

E-Class was a 16 year old kid who had everything and then lost it but only to get it back. But then he'll lose it again. This is a story about love and betrayal and the determination of one to put back together a family. But in the process everything get worse and the pain keeps coming from ways unperceivable

125 Creative Writing Prompts for Petrolheads is a book (the first of a niche-inspired series) for the word lover who is also car crazy. Accelerate your writing with some out-of-the (gear)box scribbling - if you are just writing for fun or if you are an experienced 'old' hand, thinking that you have already written it all. Get your creativity revved up with anything from memory-inspired nostalgic prompts to outlandishly silly ones. Whether it is for yourself or a gift to your dad, petrolhead girlfriend or bro, it will put some vroom in your writing life.

Following on from the merger between AMG and DaimlerChrysler in 1999, things really began to happen for AMG Mercedes-Benz enthusiasts. The special touch of the AMG engineers was being seen on every model in the entire vast Mercedes-Benz model range, from the prosaic C-Class through to the S-Class and the SLK sports cars, as well as the ML and G-Class off-roader wagons. Not to be left out was the exotic Mercedes-Benz SLR McLaren with its supercharged 5.5 litre quad-cam V8 engine that was fettled by the AMG people. Included are road and comparison tests, model releases, technical and performance data, plus advice on buying a Mercedes-Benz AMG. Models covered include the C30, 32 & 55, CLK430, 55, TDM & GTR, CL55 & 65, CLS55, E55, G55, ML55, S55 & 65, SL55 & 65, SLK32 & 55 Plus SLR McLaren.

The Mercedes-Benz SLS AMG Gullwing has set new standards - each one is perfect super sports car, full of adrenalin.

Pockets, by Mario Herrera and Barbara Hojel, is a three-level English course for preschool students. Pockets develops English language and psychomotor/ conceptual skills through hands-on, fun activities, and equips children for continued success in learning English. The course’s spiraled themes grow with the developing child, drawing on the child’s growing knowledge of the world.

This book is an E-class buyer's guide, maintenance handbook and technical reference source all wrapped into one. It is full of tech tips, service hints and system descriptions, plus lots of insightful information about the W124 E-Class chassis. This "E-Class Owner's Bible can help steer you through the purchase of your first Mercedes-Benz, provide the information necessary to maintain your E-Class to factory standards, give you the assurance to speak knowledgeably to your service professional and provide you with the hot setup for better road handling. The prospective buyer will also find tips on what to watch out for, why a pre-purchase inspection is important and why one model may be preferred to another. Do-it-Yourself owners will discover a huge hands-on maintenance chapter to help keep their E-Class at peak efficiency. To bring you this authoritative volume, Bentley Publishers has teamed up with Stu Ritter, a 25-year independent Mercedes-Benz repair shop owner/technician and current technical editor of "The Star (the magazine of the Mercedes-Benz Club of America).
