Brilliant, honest, combative - Eddie Jones is a gigantic yet enigmatic figure in world rugby and a true legend of the game. In My Life and Rugby he tells his story for the first time, including the full inside story of England's 2019 World Cup campaign.

Winner of the Daily Telegraph Rugby Book of the Year 2020 The Sunday Times bestselling rugby book of the year 2020 Brilliant, honest, combative ☺ Eddie Jones is a true legend of world rugby and remains an enigmatic figure in the game. In My Life and Rugby he tells his story for the first time, including the full inside account of England's 2019 World Cup campaign. He describes his experience growing up in a tough working-class area of Sydney, where he first played rugby, and how he learnt from the extreme highs and lows of his own playing career! ☺ the numerous successes but also the painful disappointment of never playing for Australia. He tells how he then embarked on a coaching career that has seen him become one of the most experienced and decorated coaches in Rugby Union, spanning four World Cups and three finals. His successes have included masterminding England's spectacular victory over New Zealand in the 2019 World Cup and engineering the sport's most stunning upset when Japan beat South Africa in 2015. My Life and Rugby is the story of one of the most compelling and singular figures in rugby. Told with unflinching honesty, this is the ultimate book for all fans of the sport. Written with Donald McRae, twice winner of the William Hill Sports Book of the Year award and three-time Sports Feature Writer of the Year, My Life and Rugby is the story of one of the most compelling and singular figures in rugby. Told with unflinching honesty, this is the ultimate rugby book for all fans of the sport. A Best Book of the Year ☺ Daily Mail, Sunday Times, The Times

Josh Lewsey is a household name in English rugby. He has been a Rugby World Cup winner, part of the prestigious British Lions squad and a crucial member of the Wasps team, one of the most successful UK Premiership rugby sides of the last 10 years. Not content with just being a rugby player, his life off the pitch has been equally impressive. He is a graduate in both Law and Physiology, a former Army Officer and an avid adventurer. This fascinating and humorous autobiography follows the highs and the lows that inevitably come from being at the top of a professional sport. His refreshingly honest approach means that he offers real insight into the personalities and attitudes that make up the rugby world, as well as the lessons that he has learnt along the way to reach the pinnacle of his game.

What does it take to become one of the most successful coaches in the world? Eddie Jones is one of the most successful sports coaches of all time. From coaching three different nations to Rugby World Cup Finals and with a winning record with England of nearly 80%, Eddie Jones knows what it takes to lead and manage high performance teams. What can sport teach us about leadership? For the first time, Eddie Jones shows just what it takes to be a leader in a high performance and high pressure environment and how these lessons can be applied to every walk of life, from coaching the U9 rugby team to leading a multinational organization to simply doing your job better. Have a voracious ambition to improve every day As he explains the High Performance Cycle of Success at the heart of his philosophy, Eddie Jones reveals the lessons he has learnt from Sir Alex Ferguson, Arsene Wenger, Pep Guardiola as well as from the founder of Uniqlo and Ron Adams from the NBA. He also gives a detailed analysis of his own performance as a coach as well as how he gets the best out of the players and coaches around him and what he saw in Tom Curry that no one else saw, which makes him think that he could be the next Richie McCaw. Always start with the end in mind Drawing on stories of nearly thirty years of coaching, including the 2003, 2007, 2015 and 2019 World Rugby campaigns, the full story of England's 2021 Six Nations campaign as well as why it takes humour, humility and relentless curiosity to lead an eclectic mix of superstars from Maro Itoje to James Haskell, George Smith to Kyle Sinckler, to create teams that are relentlessly hungry to win, Leadership is the ultimate rugby book about what it takes to be the best. Written with Donald McRae, two-time winner of the William Hill Sports Book of the Year Award, Leadership is the book for anyone who wants to learn how to build and lead a team to success.

'Rala has a gift for making people feel at ease and special at the same time' Paul O'Connell Patrick 'Rala' O'Reilly has been bagman for the Irish rugby team for over twenty years. In that time he's witnessed many highs and lows. But for him rugby has always been about the people, the places and the experiences. Here, with his own inimitable wit and humour, he shares with us his unique memories of his time spent at the very centre of Irish and Lions rugby. From his early days with Terenure RFC to touring with the Lions in 2009 and 2013, to pre-match traditions, pranks, iPod playlists and his love affair with Inishbofin, he tells a behind-the-scenes story of team spirit and friendship. With anecdotes from Keith Wood, Brian O'Driscoll, Donncha O'Callaghan, Jamie Heaslip, Peter Clohessy, Paul O'Connell and others, Rala: A Life in Rugby gives us an insight into the world of rugby - as never seen before. 'He's a gent, a role model ... but, most importantly, he's a great friend' Jamie Heaslip 'Even when I stopped being captain, I'd find my bags in my room when I arrived at the hotel, and my laundry hanging on the back of my door. He didn't have to do that, but then there's so much that he didn't have to do, but he still did' Brian O'Driscoll

SHORTLISTED FOR THE TELEGRAPH RUGBY BOOK OF THE YEAR The truth about being a rugby player from the horse's mouth. This book is not just about how a psychiatrist called Humphrey helped me get back on my horse and clipity-clop all the way to the World Cup semi-final in Japan. It's the story of how a fat kid who had to live up to the nickname Psycho grew up to play and party for over a decade with rugby's greatest pros and live weird and wonderful moments both in and out of the scrum. That's why I'm letting you read my diary on my weirdest days. You never know what you're going to get with me. From being locked in a police cell to singing Adele on Jonathan Ross (I'll let you decide which is worse), being kissed by a murderer on the number 51 bus to drug tests where clipboard-wielding men hover inches away from my naked genitalia, melting opponents in rucks, winning tackles, and generally losing blood, sweat and ears in the name of the great sport of rugby. This is how (not) to be a rugby player.

Updated edition of the #1 Amazon Bestseller LONGLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE 2020 Sports books tend to detail extraordinary achievements, triumphs against the odds or commemorate World Cup winning captains. This book does not do that. For many, playing professional sport is the Dream Job. Few manage it, very few make it to the top and for the rest, life is very different. This is their story. In Fringes, Ben Mercer invites you to witness life at the outer edges of professional rugby. This is a first hand account of what life is like as a journeyman professional athlete. You play, but to the wider public you don't exist. You earn but you don't drive a flash car. You sometimes pack out a stadium but sometimes, you play in a deserted park. This is the story for the majority of sports professionals. Only the minority taste the top, only one person gets to lift the cup or win the medal, only 15 get to play for England at any one time. For the rest, that's not the case. Ben Mercer is a former professional rugby player who after becoming disillusioned and uninspired plying his trade in the English Second Division, accepted an offer out of the blue to go to France and do something different - help an amateur team turn professional. This is a first hand account of what life is like in the lower reaches of professional sport - where your employment status is as precarious as your health and barely anyone will know your name. It's about how it feels to live year to year, with teammates constantly on the move. It's about how professionalism irreversibly changes the French club Stade Rouennais as they move up the divisions, about the tension between progress and identity in a rugby team. It's also about how it feels to actually be out there on the field, how it feels to occasionally do something extraordinary and how it feels when this is no longer enough for you to make the sacrifices that you need to make to keep playing. There's no ghostwriting, it's an unmitigated meditation on how it feels and what it means to play rugby for a living, to dedicate yourself to an uncompromising but occasionally beautiful game. If you've wanted to know what life is really like as a professional athlete, on the Fringes, away from the glitz and glamour of the international game then look no further.

The bestselling autobiography of the greatest rugby player of our time: Brian O'Driscoll. Since 1999, when he made his international debut, there has been no greater player in world rugby than Brian O'Driscoll. In 2010 Rugby World magazine named him its world player of the decade - and since then the legend has only grown. Now, at the end of his amazing career - which culminated in fairy-tale fashion with Ireland's victory in the 2014 Six Nations championship - he tells his own story. Honest, gritty and thoughtful, Brian O'Driscoll's Autobiography is not just an essential sports book. It is an essential book about family, friends, hard work, courage and imagination. 'Honest, charming and revealing - a thoroughly good read' Rugby World 'A thoroughly enjoyable read ... After reading The Test I warmed even more to O'Driscoll as a player and a man. He stood for a new ethos in Irish sport that refused to accept mediocrity or glorious failure' Fergal Keane, Irish Times 'O'Driscoll's honesty ... takes the reader to a place they simply have not been before' Vincent Hogan, Irish Independent 'A must-read insight into the life and mind of Ireland's greatest rugby player' Irish Mail on Sunday 'There are fascinating insights into the lengths he was willing to go to perform at the highest level' Sunday Business Post

As player, manager, and pundit, Donal Lenihan has seen it all in the world of rugby - and done much of it too. A victorious captain of Munster Junior and Senior Schools, he went on to skipper the Ireland team at the inaugural Rugby World Cup in New Zealand in 1987 and was a fixture in the second row for over a decade, winning two Triple Crowns and three Five Nations championships. Selected for three British & Irish Lions tours, he was famous for skippering the unbeaten side nicknamed 'Donal's Doughnuts', before taking charge of both Ireland and the Lions as manager. From such a stellar position at the heart of the rugby world, Donal Lenihan has a wealth of stories to tell from both on and off the pitch, from raucous antics on tour to the sometimes difficult fellowship of players in a time of Troubles. He delves deeply into Cork and Munster culture and the influence on his career of his family. And as a much-respected analyst, Donal is also not short on voicing his opinion on the rights and wrongs of the modern game, and how the transition from the amateur to the professional era has affected the heart and soul of rugby. Full of wit, insight and emotional sincerity, this is a rugby book for the ages by a sporting great.

The gruesome stories of the hardest, most ruthless rugby players from around the world since World War I. As talented as they were fiery, many were just as lively off the pitch as on it. In our era of citing commissioners, super slow-motion replays and trial by social media, some of their actions are quite hard to believe! Foreword by Nigel Owens.

"In my late thirties, it gradually dawned on me that I had become Jason's regular hooker. It was an arrangement that worked well for a couple of reasons. He didn't need me to dress up in anything particularly risqué or to do anything too vulgar, other than cuddle in the middle of a field with him and fourteen other men on a Saturday afternoon." Steven Gaugué's response to an impending midlife crisis didn't involve piercings, tattoos or a red sports car! Instead, he decided to take up rugby. What he found on the pitch was a wonderful game, far removed from the professional televised glamour of international rugby, where ordinary blokes with ordinary jobs (and some extraordinary bellies) get together once in a while and have a great time rolling around in the mud. By the end of his first few seasons, Steven had cracked his nose and various other parts of his anatomy! but he had cracked the game too, and found a place in the club as Captain of the Fourths.
