\*\*\*Book 1 of a 4 book series.\*\*\* Stephan Coleman knows what his future holds as the president of a not-for-profit foundation and he knows what he wants out of life. All that changes when a simple lunch with his college friend, mentor, and fellow Dominant, Daren, leads him to buying a slave. Thrust into a situation he never thought he'd be in, Stephan can't walk away. He is compelled to help this girl in the only way he knows how. Brianna knows only one thing: she is a slave. She has nothing. She is nothing. Can Stephan help Brianna realize that she is much more than just a slave?

As Brianna comes to terms with the realization that she is no longer a slave, she must figure out what she wants for her life. Forgetting her past isn't an option. She knows she cannot imagine her life without the man who saved her, but can she be what he needs?Stephan never imagined falling in love with the woman he rescued. The scars from her past haunt her, and he is helpless to stop them. Can he be everything she needs and help her move on?

Brianna and Stephan are settling into their new home outside of Le Sueur. The river that runs behind their house provides a peace Brianna had never found in the city. It's been three years since she stood in a courtroom and faced the man who'd held her captive and altered her life forever. Since then, she'd been trying to move on with her life...trying to find her way. The move was part of that. Too many people knew who Stephan was--who she was. They needed a fresh start. But demons are funny things. They follow you wherever you go. With the help of Stephan and a new therapist, Brianna will have to face the changes in her life and confront her fears.

Every secret has its price. Anna Clark and Lia Clay were unlikely best friends in high school, but their yin-and-yang personalities drew them together in a sister-like bond. Then during college, Lia inexplicably walked out on their friendship and disappeared, leaving Anna hurt, confused, and disillusioned. Twenty years later, Anna discovers a letter Lia wrote the summer after high school--a letter that contains a cryptic postscript concealing a devastating truth. With her twenty-year high school reunion approaching, Anna moves closer to uncovering the secret in Lia's letter and the devastating consequences it set in motion. As the layers of deceit and betrayal begin to unravel, Anna is forced to question everything she believes and come to terms with what it means to forgive the one person who hurt her in the worst way imaginable.

All Elizabeth Marshall wants to do is start over in the small town of Springfield, Ohio where no one knows her. The old, three-story, Victorian house seems like the perfect place to heal from the scars of her past and rebuild her life, but her plans quickly get derailed when she meets her upstairs neighbor. Christopher Daniels is all alpha male---tall, broad shoulders, and dark brown eyes that seem to be able to look into her soul. His sharp attitude the first time they meet puts her on edge, but then he goes and offers her a job at his construction company. The more they work together, the more the lines between professional and personal begin to blur and she finds herself letting her guard down. . As they turn up the heat on their relationship, she finds herself forced to confront her insecurities...and the secrets she's been trying to put behind her. But just as Elizabeth thinks she might get her second chance at finding love and a happily ever after, someone from her past has decided they aren't ready to let go.

\*\*\*This is the 4th book in a 5 book series.\*\*\* Brianna is lost for the fourth time in her life. The first life-altering event occurred when her mother died. The second was when she was kidnapped at the age of seventeen and forced to be a slave. She would never forget those ten months. Everything changed again the day Stephan steamrolled into her life. That first month with him was, in some ways, more confusing than the prior ten. As a slave, she'd known her place. With Stephan everything was new and different. He'd given her freedom and so much more. Five months after Stephan rescued her, Brianna once again finds her life flipped upside down. In this fourth installment of Finding Anna, Brianna must unearth strength she never knew she possessed. She must learn to trust herself, embrace who she is, and discover who she wants to be. Only by facing her demons can Brianna find true happiness and peace.
