I wish someone had "told me" 25 years ago. I don't get most poetry - it bores me and goes over my head. But Hollie is different - she is real - she questions establishments and makes sense of things. This book is interspersed with her poems - but she writes her real life experiences in between.

Told Me From Finnish saunas and sappy otters to grief, grandparents and Kellogg's anti-masturbation pants, Slug is a book which holds a mirror lovingly up to the world, past and present, through Hollie's driving, funny, hopeful poetry and prose. Slug is about the human condition: of birth and death and how we manage the possibilities in between. 'The inimitable words of poet/goddess Hollie McNish once again hold up honest, damn funny and refreshing takes on the everydayness of our lives . . . Never have we needed her more' STYLIST

Nobody Told Me is the long awaited autobiography by Jim McCarty, a founding and current member of Rock and Roll Hall of Fame inductees The Yardbirds, a founder member of Renaissance, Together and Box of Frogs, and an internationally respected songwriter. Open, honest, modest and affecting, Jim looks back on his long and remarkable career with both a keen eye for detail and his trademark sense of humour. From the birth of the British R&B boom to the latest incarnation of his much beloved band, Jim tells of his life on and off stage, alongside some of the most legendary musicians in rock history -

compelling and powerful performances. Plum, her debut for Picador Poetry, is a wise, sometimes rude and piercingly candid account of her memories from childhood to attempted adulthood. This is a book about growing up, about flesh, fruit, friendships, work and play - and the urgent need to find a voice for the poems that will somehow do the whole glorious riot of it justice. Throughout Plum, McNish allows her recent poems to be interrupted by earlier writing from her younger selves - voices that speak out from the past with disarming and often very funny results. Plum is a celebration, a salute to a
