A reverse harem is when a female is the main target of affection, and the others who are in love with her are men. While a harem is usually a man being surrounded by beautiful women, a reverse harem is a woman being surrounded by handsome men. But just like a typical harem anime, reverse harems can be riddled with tropes and cliches.

A poor girl entered an elite academy, and accidentally became the target for the rich people's "love hunt". The academy's elegant men become animals like a wolf, lion, bear, and snake in the anonymous chatroom, while treating the girl's heart as a game of gamble...

Reverse Harem (Genre) - MangaDex

What Reverse Harem Is and Isn't:- YES - Reverse Harems always include one main female character and more than 3 men that are all love interests. o NO - Two men is considered a menage, so that's not technically a reverse harem. There's not really an upper limit for a harem (I've read one where there were 11 guys!), but the more ...

My name is Jetta, and I'm not a psychopath. I just hate donuts. When the Squishy Shifters Donut Emporium opens down the street from my house, I want it gone. Can one sugary drink, three delicious donut shifters, and a few dozen sugary treats change my mind? Or will my hatred for donuts get between me and my fated mates? Her Donut Shifters is a short fun-filled steamy reverse harem romcom featuring a witch who hates donuts and three shifters who love them. It stands alone and comes complete with quirky characters, laugh-out-loud moments, shenanigan with donuts, and a happily-ever-after. Grab a sugary treat and dig in!

It's company policy: don't sleep with your employees. No matter how handsome and flirty they may be. Yet when my promotion puts me in charge of the three of them? That policy is going to be hard to follow. Liam, the chestnut-haired boy-next-door I've flirted with for five years--and who is finally single. Arthur, the suave French accountant who pronounces my name like it's an expensive wine. Robbie, the bashful computer nerd whose chiseled body and sleeve tattoos hint at something deeper. The four of us have to finish our big project by Christmas. Which means my gorgeous employees are totally off-limits. But that just makes our professional relationship even more tantalizing. Especially as we start working long hours in the office. With our careers on the line, can we ignore the growing attraction between us? Or will we all end up on Santa's naughty list? THE NAUGHTY LIST is a sizzling, stand-alone Reverse Harem love story that is sure to fill you with holiday cheer. HEA guaranteed!

Amaya has always felt deprived of a real childhood. Her parents were more interested in social status and their business than anything else, and she and her siblings were expected to fall in line. From watching her friends, Amaya knows her childhood wasn't normal and so when she reads about the prison planet Hebe where nonviolent criminals can choose to be sent, she's immediately interested. Hebe sounds like exactly what she wants - she can have a second childhood and still all the fun, sexy parts of being an adult. Unfortunately for Amaya, she didn't read the fine print, and her new Papa and Nanny are much stricter than she ever imagined they would be. This book is approx. 45k words and contains on naughty "little" girl and one hot, alpha man with a soft spot.

My one piece of advice: Never kiss a stranger. See, I kind of kissed this sexy man at the bar on a dare once, and it turns out he's a Royal Fae destined to be my mate. Now I've been dragged to the Elemental Fae Academy to control the powers I unlocked that night. So kissing? Yeah, that won't happen again. Nope. Lesson learned. Except, I kind of kissed Titus, too. And well, now, I'm in a world of trouble. I keep burning things down, flooding dorms, and I've attracted the campus mean girl brigade. This Fae Realm is a nightmare come to life. Truly. But there are dreams here, too. Sexy ones. And they're in the form of five Elemental Fae mentors. They're supposed to help me control my powers, but who's going to keep the elements from controlling me? Note: This is a medium burn reverse harem paranormal romance, and book one of the Elemental Fae Academy trilogy.

The Emily Post Institute, the most trusted brand in etiquette, tackles the latest issues regarding how we interact along with classic etiquette and manners advice in this updated and gorgeously packaged edition. Today's world is in a state of constant change. But one thing remains year after year: the necessity for good etiquette. This 19th edition of Emily Post's Etiquette offers insight and wisdom on a variety of new topics and fresh advice on classic conundrums, including: Social media Living with neighbors Networking and job seeking Office issues Sports and recreation Entertaining at home and celebrations Weddings Invitations Loss, grieving, and condolences Table manners While they offer useful information on the practical—from table settings and introductions to thank-you notes and condolences—the Posts make it clear why good etiquette matters. Etiquette is a sensitive awareness of the feelings of others, they remind us. Ultimately, being considerate, respectful, and honest is what's really important in building positive relationships. "Please" and "thank you" do go a long way, and whether it's a handshake, a hug, or a friend request, it's the underlying sincerity and good intentions behind any action that matter most.

Carter didn't believe in true mates... until he met Brand One scent was all it took. There was one big problem... when he met Brand, he was at a prenatal visit with his mate, Aaron, for their first child. And Brand was Aaron's doctor. Carter wasn't going to let the pull he felt toward Brand ruin what he had with Aaron, though, and Brand kept silent, so he let it fade. Six years later, a car crash changed Carter's life It tore Aaron from him and broke his little boy in ways they are still trying to heal two years later. Carter's had two years of grieving, and he's ready to see if Brand and fate will give him another chance. Brand absolutely believes in true mates... and Carter isn't his When Carter approaches him, Brand has no idea what he's talking about. Brand's never experienced that lightning from the sky moment, the fireworks, the scent--but he wants it. He wants it all. And he's not going to take anything

less than everything, no matter how attractive Carter is. If Carter can't win Brand over the easy way, he's determined to do it the old fashioned way: with lots of wooing. But unknown to them, Brand has come to the attention of a group that poses a danger to all shifters everywhere, and their problems are just beginning. Unexpected Mate is a 61,000 word novel with pregnancies galore, danger lurking in the shadows, and finding healing in those you love.

I think my boss and I would make a great match, if only I could get him to pay attention to me and I'm not against using magic to tip the scales in my favor. The thing is, I'm only half-witch but I guess that'll have to do. Needless to say, my spell doesn't quite have the intended affect. Luckily, the four wildly hot guys running Pierce's magic shop step in to help me but I'm not sure even they can protect me from the situation I've gotten myself into. "Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat* What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.

Could workaholic office lady Sei be a legendary Saint? Not according to the crown prince of another world who summoned her and quickly declared a different girl was the real Saint! That suits Sei just fine--she would much rather spend her days quietly helping people with her unbelievably powerful magic. But how long can Sei live her ideal life of leisure before her true nature is revealed?
