Ovid Tristia Ex Ponto Loeb

Famous at first, he offended the emperor Augustus by his Ars Amatoria, and was banished because of this work and some other reason unknown to us, and dwelt in the cold and primitive town of Tomis on the Black Sea. He continued writing poetry, a kindly man, leading a temperate life. He died in exile.

the same station in life as himself, and many of these are named in the Pontic Epistles.Since at the time Ovid was writing the Tristia he did not venture to name his friends, the question arises whether it is possible to identify any of the unnamed recipients of the Tristia with friends who are named in the Pontic Epistles. 1 These are seventeen poems of the Tristia which are addressed to ...

Ovid’s father, like the father of Horace, was ambitious for his sons and destined them for an oratorical career. While they were still very young Ovid and his brother, who was exactly one year older than the poet, were taken to Rome to receive a proper training. The brother displayed a decided gift for pleading, but Ovid found the legal grind distasteful. He tried to conform to his father ...

Ovid’s third wife was “from the house” of the Fabii (P. i. 2. 136), but it is not certain that her name, which Ovid does not give, was Fabia. She may have been a poor relative (or a relative who had lost her parents) who had lived in the protection of the Fabian household. She was a widow (or divorced?) with one daughter, Perilla, when Ovid married her, but the marriage seems to have ...

(ii) A: Hamburgensis 52, 9th c., contains the work as far as 3. 2. 67, omitting however 1. 3; it seems to represent a unique branch of the tradition and, though often wrong, preserves many good readings.

Ovid, Tristia. Ex Ponto. LCL 151: xxxvi-xxxvii. Go to page: Find in a Library; View cloth edition ... it is probable that Ovid did not himself collect these letters for publication in book form. Perhaps, on the other hand, he was preparing to do so, for iv. 16 has the air of having been written as an epilogue. It is a variation on that assertion of fame which was a convention with Augustan ...

This second edition of volume VI of the Loeb Ovid continues the principles on which I have revised earlier volumes. Numerous alterations of the text and translation became imperative in view of much excellent work published in the last sixty years, foremost among which rank Georg Luck’s editions. Moreover, especially since the Second World War, a juster appreciation of Ovid’s exile poetry ...

The Tristia (“Sorrows” or “Lamentations”) is a collection of letters written in elegiac couplets by the Augustan poet Ovid during his exile from Rome. Despite five books of his copious bewailing of his fate, the immediate cause of Augustus’s banishment of the most acclaimed living Latin poet to Pontus in AD 8 remains a mystery.
