Poverty, Agency, and Human Rights | Oxford University Press

Poverty is a denial of human rights. Human rights refer to rights that are inherent to the person and belong equally to all human beings. Their realisation has to be carried out as a participatory, accountable and transparent process, implying equality in decision-making.

Poverty Reduction and Human Rights - UNDP

Poverty is not only deprivation of economic or material resources but a violation of human dignity too. Indeed, no social phenomenon is as comprehensive in its assault on human rights as poverty. Poverty erodes or nullifies economic and social rights such as the right to health, adequate housing, food and safe water, and the right to education.
