Screenplay for the film *The Great McGinty*, his first of three nominations in the category. Sturges took the screwball comedy format of the 1930s to another level, writing dialogue that, heard today, is often surprisingly naturalistic, mature, and ahead of its time, despite the farcical situations. It is not uncommon for a Sturges character to deliver an exquisitely turned phra

Preston Sturges | IndieWire~~

I much prefer Preston Sturges on Preston Sturges to James Curtis's biography, *Between Flops*, in which Sturges comes off as selfish, cantakerous and foolish. Sturges may have been his own worst enemy at times, but Curtis neglects to highlight his many gifts. Fortunately, Preston Sturges makes up for it in this memoir.

~~The Seven Wonders of Preston Sturges | Vanity Fair~~

The problem in writing a life of Preston Sturges is that after about 1943 it's one long, sad anticlimax. Sturges had four miraculous years, 1940-43, during which he produced masterpieces: "The Lady Eve," "Palm Beach Story," "The Miracle of Morgan Creek," and others.

~~Sturges, Preston — Senses of
Cinema~~

Preston Sturges details the many unfinished projects of Sturges' last decade, including films, plays, TV series and his autobiography. Drawing on diaries, sketchbooks, correspondence, unpublished screenplays and more, Nick Smedley and Tom Sturges present the writer-director's final years in more detail than we've ever seen, showing a master still at work - even if very little of that work ultimately made it to the

Sturges — The Last Years of~~

~~...~~

One of Hollywood's genuinely legendary directors, Preston Sturges redefined the boundaries and meaning of screen comedy as a filmmaker during part of the early '40s. The full range of his influence on movies, however, extended far beyond the director's chair or the success of the pictures that he helmed.

and directed by Preston Sturges. Based on the book *Triumph Over Pain* by René Fülöp-Miller, it tells the story of Dr. William Thomas Green Morton, a 19th-century Boston dentist who discovered the use of ether for general anesthesia. The film stars Joel McCrea and Betty Field, and features Harry Carey, William Demarest, Franklin Pangborn and Porter Hall. The movie was filmed in 1942 but not released for over two years, and the released ...
