# Read Online Speaking And Language Defence Of Poetry By Paul Goodman

Published. 1971 ( Random House) Pages. 242. Speaking and Language: Defence of Poetry is a book of criticism by Paul Goodman that blames academic, structured approaches to linguistics for diminishing the role of creativity and spontaneity in speaking and human nature.

Speaking and Language - Wikipedia

More a critique of linguistics than a defense of poetry, Goodman's book is smart, a little too self-referential for its own good (Goodman's favorite thinker may be Paul Goodman), and open to a lot of critiques itself.
