~~The Abusive Personality, Second Edition: Violence and~~

The second edition has incorporated recent findings in neurobiology and developmental theory, which has been updated to include chapters on trauma research and abuse in females. I highly recommend it for any practitioner working with abusive personality disorders."--Muriel Prince Warren, DSW, ACSW, private practice, Orangeburg, New York

~~The Abusive Personality, Second Edition: Violence and~~

He illuminates the development of the abusive personality from early childhood to adulthood and presents an evidence-based treatment approach designed to meet this population's unique needs. The second edition features two new chapters on the neurobiological roots of abusive behavior and the development of abusiveness in females.
