Maitland does have a marvellous gift for storytelling and this book is set against the backdrop of King John's merciless reign in the 1100's, where priests are cast out and Catholic practices forbidden. She does a great job of evoking a paranoid and superstitious medieval society.

In desperation she visits the cunning woman, who has been waiting for just such an opportunity to fulfil an ancient curse conjured at the gallows. ©2011 Karen Maitland (P)2011 Oakhill Publishing Limited

1210 and a black force is sweeping England. For a vengeful King John has seized control of the Church, leaving corpses to lie in unconsecrated ground, babies unbaptized in their cradles and the people terrified of dying in sin. And in the village of Gastmere, the consequences grow darker still when Elena, a servant girl, is dragged into a conspiracy to absolve the sins of the lord of the manor. As the terrors that soon begin to plague Elena's sleep grow darker, in desperation she visits the cunning woman, who has been waiting for just such an opportunity to fulfil an ancient curse conjured at the gallows. Elena, haunted by this curse and threatened with death for a crime she didn't commit, flees the village ... only to find her nightmare has barely begun. For treachery lurks in every shadow as King John's brutal reign makes enemies of brothers, murderers of virgins and sinners of us all.

The year is 1348 and the first plague victim has reached English shores. Panic erupts around the country and a small band of travellers comes together to outrun the deadly disease, unaware that something far more deadly is -in fact - travelling with them. The ill-assorted company - a scarred trader in holy relics, a conjurer, two musicians, a healer and a deformed storyteller - are all concealing secrets and lies. And at their heart is the strange, cold child - Narigorm - who reads the runes. But as law and order breaks down across the country and the battle for survival becomes ever more fierce, Narigorm mercilessly compels each of her fellow travellers to reveal the truth ... and each in turn is driven to a cruel and unnatural death.

Another sensational slice of Dark Ages Gothic from the author of the triumphant seller *Company of Liars* England, 1321 Welcome to the Dark Ages In the heart of the countryside lies an isolated village, where pagan Owl Masters rule through fear, superstition and murder. When a group of religious women ill-advisedly settles outside the village, they awaken dangerous jealousies. Why do their crops succeed? How do their cattle survive the plague? Are they concealing a holy relic which protects them from harm? The Owl Masters cry 'Witchcraft' and sharpen their talons. As torment and hellfire rain down, the women must look to their faith to save them from the darkness spreading across the land. Fear is a question of what you believe. And death alone the answer. Karen Maitland lives in Lincolnshire and is the author of *The White Room*, which won an Author's Club Best First Novel Award, and *Company of Liars*, published to outstanding critical acclaim in 2008.
