Excerpt from The Vegetable Garden: Illustrations, Descriptions, and Culture of the Garden Vegetables of Cold and Temperate Climates During the years of the War, vegetable growing received a decided stimulus, and in preparing a new edition Of the vegetable garden it has been thought advisable to include the new material in the form of an Addendum, to which references will be found in the form of footnotes in the body of the work. A list Of the newer varieties of our well-known vegetables Peas, Potatoes, Cabbage, etc., is given with notes on their cultivation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
