The Transformers: More than Meets the Eye is an ongoing comic series published by IDW Publishing, starting in January 2012. This series follows the adventures of Rodimus and his team as they travel through space, hunting for the legendary Knights of Cybertron (so they tell themselves) and having adventures along the way. But mostly it's about lonely nobodies hanging out pretending they have friends.

The Transformers: The Movie is a 1986 animated feature film. It was released in North America on August 8, 1986. Set to an upbeat rock music soundtrack, the movie has a decidedly darker tone than the television series, with detailed visuals in Toei Animation's typical animated feature film styling. The film features several grand battles in which a handful of major characters meet their end.
