A great and detailed guide for Vanguard Bandits. It has outdated slang and corny jokes within certain parts that will either make you chuckle or groan in absolute agony. Those points aside, its a very detailed and thorough guide for choosing the many different story arcs, paths, and items within the game.

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to
