BOOK REVIEW / Grazed anatomy: "Written On the Body ...
In its structure, Written on the Body most closely resembles monologue. It is an examination of the past, told as the narrator languishes alone in a rented room, at the end of a long, dry summer ...

Written on the Body Analysis — eNotes.com
The narrator spends almost a year away from Louise, imagining her going through her treatments with Elgin at her side. However, the narrator misses Louise so much that the only way to deal with it is to learn all there is to know about the human body. Soon the narrator knows all there is to know about cancer and the systems of the body.

Written on the Body Summary & Study Guide
Caplan's anthology of essays is stimulating for further work on the very idea of body ornamentation as a source of cultural history." —Sander L. Gilman, American Historical Review Related Books

Written on the Body Quotes by Jeanette Winterson
Written on the Body is a secret code only visible in certain lights: the accumulation of a lifetime gather there. In places the palimpsest is so heavily worked that the letters feel like braille. I like to keep my body rolled away from prying eyes, never unfold too much, tell the whole story. I didn't know that Louise would have reading hands. She has translated me into her own book. Why buy ...

Written On The Body By Jeanette Winterson | Used ...
Written on the Body by Jeanette Winterson is not really a novel, as much as a meditation on romantic love, sex, and what it means to be an embodied being. There are some neat tricks in the novel. We never find out if the narrator is male or female. So eros becomes free floating, detached from gender. This brings with it limitations. Male and female desire have elements in common, but also ...

About Written on the Body The most beguilingly seductive novel to date from the author of The Passion and Sexing the Cherry. Winterson chronicles the consuming affair between the narrator, who is given neither name nor gender, and the beloved, a complex and confused married woman. " At once a love story and a philosophical meditation. "

Fiction Book Review: Written on the Body by Jeanette ...
One of the most significant pieces of evidence to allude to this understanding is shown as the narrator states: " Written on the body is a secret code only visible in certain lights; the accumulations of a lifetime gather there. In places the palimpsest is so heavily worked that the letters feel like braille.
